

Manchester Vehicles

Engine

Cylinder head, cylinder head gasket, rocker assembly, valves and guides, pushrods, cam shaft and cam followers, timing gears and chains, oil pump, pistons, piston pins and rings, cylinder bores, connecting rods and bearings, crankshaft and bearings, distributor drive gear, distributor drive auxiliary shaft and brushes, internal bushes, flywheel and ring gear.

Gearbox: Man/Auto

Gears, torque converter, clutch and brake bands, oil pump, shafts, bearings and bushes, valve block, governors, synchromesh hubs, selectors, shafts.

Final Drive Differential Assembly

Crown wheel / pinion gears, planet gears, bearings / bushes, half shafts, drive shafts, constant velocity joints, swivel hubs (all wheel bearings), drive flanges.

Starter Motor

Armature, commutator and bushes, piston gear and driveshaft, bearings and bushes, solenoid.

Alternator

Armature, commutator and bushes, shafts, bearings and bushes, voltage regulator.

Cooling System

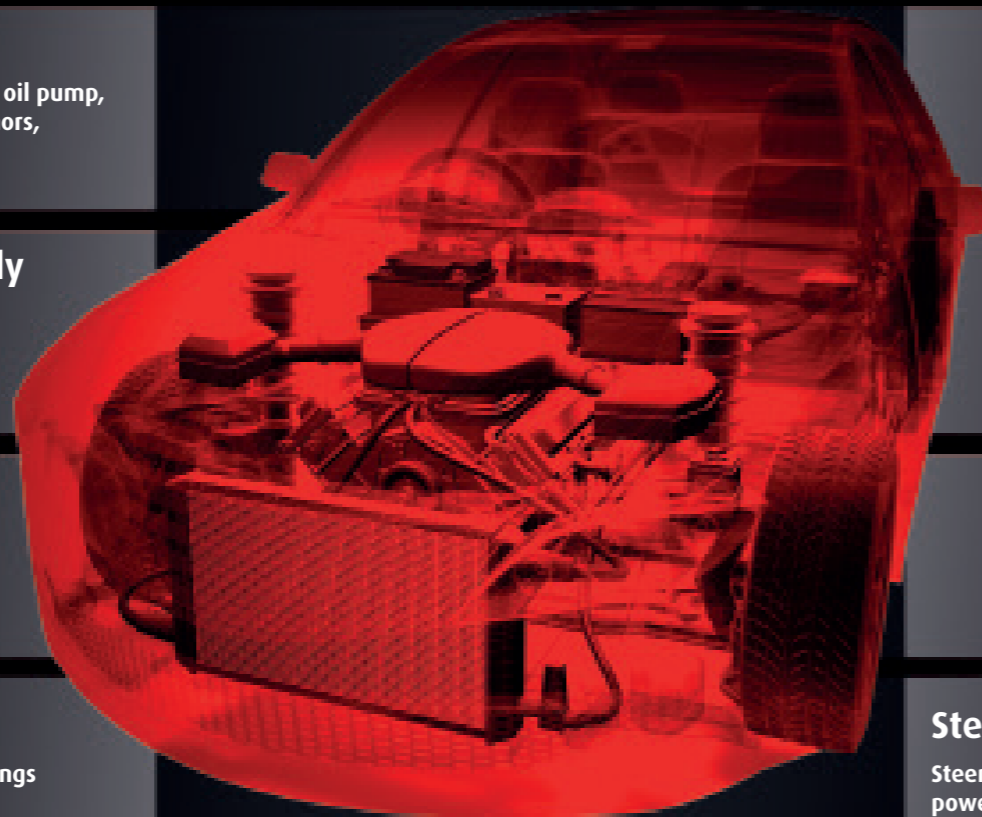

Radiator, heater matrix, heater motor, oil cooler, water pump, head gasket, thermostat and thermostat housing, viscous fan.

Aircon

Compressor, condenser, evaporator, drier, fan motors.

momentum

Warranties Limited

The modern vehicle is extremely complex, with thousands of sophisticated moving parts. Which means that, should things go wrong, the cost of repairs can sometimes come as a shock, so it pays to take out a Momentum Warranty for your vehicle.

Enjoy driving with peace of mind.

Electrical System

Window motors, engine management unit, mirror motors, ignition coils, electric ignition, wind-screen wiper motors, thermostatically controlled cooling fan motor, speedometer head, horn, headlight lift motors, headlight wash pump motor, factory fitted central locking, convertible roof motors and sunroof motor.

Braking System

Master cylinder servo, wheel cylinders, callipers, vacuum pump, motor and sensors, ABS pump and sensors.

Clutch

Release bearings, pressure plate, clutch fork, master cylinder, slave cylinder.

Fuel System: Petrol/Diesel

Fuel pump, fuel metering unit, air flow meter, injectors, choke unit.

Steering and Suspension System

Steering rack and pinion, steering box, idler box, power steering unit including pump, self-leveling suspension, compressor and control unit.

Turbo Charger

Bearings, shafts, impellers, waste gate and valves.

Diagnostics

Provided from computerised or hand held devices.
